

Cardiff University / Cardiff Half Marathon 2018

Role Description: *Volunteer Photographer*

Date: Sunday 7th October 2018

Timings: Dependant on Location

Locations: Race Start/Finish – Cardiff City Centre or Water Stations around the course

You will be undertaking a key role in capturing the atmosphere of race day from a volunteer's perspective. You will be based from one of the key locations around the course such as the start, finish or one of the 4 water stations. The atmosphere will be electric as 25,000 runners from across the world take on the iconic 13.1 course and we need to see what hard work the volunteers are doing!

Some of the tasks involved in your role are;

- Capturing shots of volunteers interacting with the runners and spectators in their different roles around the Water Station
- Focus on volunteers interacting with the runners
- Capture shots of the variety of course entertainment
- Try and capture the action as well behind the scenes, we want to know what goes on!
- Ensure the photos are appropriate for further use, such as volunteer recruitment campaigns
- Make sure you keep a safe distance from the course and do not impede the runners when taking photos

You must have a camera that you are happy to use on race day but everything else you need will be waiting for you, you just need to turn up with lots of energy and enthusiasm!

There will be a face to face briefing to go through everything you need to know for race day (date tbc) as well as a run through on the morning by the role supervisor.

As a thank you, you will receive a;

- Volunteer T-shirt to be worn on race day (on top of anything else you may be wearing) but yours to keep!
- Volunteer drawstring bag to wear and keep your belongings in (yours to keep)
- Volunteer Lanyard with key information

- Food and drinks
- Training and support

By volunteering you are joining a large community of volunteers called the 'Extra Milers' who are 'Making the Diff'ERENCE' to ensure runners and spectators alike have the best experience possible!

We really could not do this without you and appreciate all your time and commitment!
