# START AND FINISH LINE SPECTATOR ZONES

Our spectator zones give everyone the best possible opportunity to see their loved ones. Our finish and start maps show how spectators can reach the spectator zones as quickly and easily as possible, avoiding no access zones and utilising a number of crossing points available.

Head down Castle Street, away from the city centre and towards the River Taff for the best chance to catch your loved ones after they have crossed the start line, away from the congestion of the start pens. Head to Corbett Road for great views of the closing stages of the race on either side of the road, big screens, music and prize giveaways.

**Please pay attention to safety stewards at all times to ensure your safety as areas become full or you are asked to take an alternate route.**

Disabled viewing areas are available at the start and finish. Please be aware access can be limited due to high volumes of spectators so please arrive early where possible.

Contact us at [cardiffhalfmarathon@run4wales.org](mailto:cardiffhalfmarathon@run4wales.org) if you require closer access – we'll do our best to facilitate.

Ewch i Heol Corbett i fwynhau'r golygfeydd gwych o ddiweddglo'r ras ar y naill ochr a'r llall i'r ffordd, sgriniau mawr, cerddoriaeth a gwobrau.

Mae ardaloedd i wylwr anabl ar gael ar ddechrau a diwedd y ras ac mae'r rheini i'w gweld ar y map gorff en uchod ac ar y map cychwyn yn ein tafl en wybodaeth am y ras. Cof i wch gyrraedd yn brydlon lle bo hynny'n bosib, oherwydd efallai y bydd rhaid cyfyngu ar fynediad oherwydd y nifer fawr o wylwyr. Cysylltwch â ni yn [cardiffhalfmarathon@run4wales.org](mailto:cardiffhalfmarathon@run4wales.org) os bydd angen mynediad i fan sy'n fwy agos arnoch – fe wnaun ni'n gorau i hwyluso petau.
